

HEALTH, SAFETY & ENVIRONMENT POLICY

MIE Sustainable Energy Sdn Bhd (MIESE) is committed to provide safe, healthy and conducive working environment on our wood pellet manufacturing activities for the prevention of injury and ill health on our workers.

MIESE also committed to continuously improve the health, safety and environmental (HSE) principles through:

- Complying with relevant HSE legislation, regulations and other requirements.
- Human resource development in training & competency skills.
- Efficiently in reducing accident rate & pollution of environment.
- Commitment to consultation and participation of workers on HSE matters.
- Providing the frame work for setting and reviewing HSE objectives and targets.
- Eliminating hazards, reducing HSE risk and mitigate adverse environmental impact in best practicable means.

Management shall endeavor, as far as practicable, to further enhance the HSE management system that is safe and healthy environment for all parties.
